### V. Representative

Representatives filing on behalf of a payer need to be registered in SURI and be authorized by the payer to access the taxpayer's account. For more information, please refer to Internal Revenue Circular Letter No. 18-16 available at [www.hacienda.pr.gov](http://www.hacienda.pr.gov). Once authorized, the representative will be able to submit files via the payer's SURI account.

## VI. Filing for Previous Years

Filings for tax years 2014 to 2021 must be made in SURI using the appropriate filing requirements for the specific tax year of the submission. Publications for each tax year are available on Hacienda's website ([www.hacienda.pr.gov](http://www.hacienda.pr.gov)) in the "Patronos y Agentes Retenedores" section. Control numbers for previous year submissions must be assigned by the payer. Control numbers should consist of nine (9) digits and cannot be repeated for the same payer, form type, and tax year.

## VII. Amendments of Previously Filed Forms

The Department requires that every Amended form includes a Reason for the Change and the Control Number of the form being amended (Original Control Number). In addition, all amended forms must have their own unique control number.

An original file cannot contain amended forms.

Amended files must be submitted separately and can only be submitted after the original submission has processed.

An amended form needs to be submitted with Document Type “A” (A = Amended). Make sure the original control number in the amended form matches the control number of the original form submitted that requires amending. If a form needs to be deleted, submit a form with Document Type “X”. The original control number and the control number of the deleted form must be the same. All values in the deleted form should match the values from the original form. DO NOT modify any data when deleting documents.
