Mensaje de la Presidenta

Saludos:

El Colegio de Contadores Públicos Autorizados de Puerto Rico tiene el compromiso de mantener a nuestros colegiados y a la comunidad informados en temas contributivos de Puerto Rico; y aquellos a nivel federal que son relevantes para Puerto Rico. Con ese propósito, este año hemos coordinado con la firma Kevane Grant Thornton, compartir con todos ustedes, el Calendario Contributivo 2021 que ellos trabajaron y publicaron. Este tipo de documento entendemos debe resultar siendo muy útil como herramienta de referencia y guía.

Esta iniciativa se une a nuestras otras publicaciones anuales relacionadas a temas contributivos, como es el Manual Contributivo que incluye preguntas y respuestas claves e importantes para el proceso de radicación de la planilla de contribución sobre ingresos. También tenemos el Manual de la IRA donde se incluye la información más importante sobre las Cuentas de Retiro Individual ("IRA", por sus siglas en inglés), Cuentas de Aportación Educativa (CAE) y la Cuenta de Retiro Individual no Deducible ("Roth IRA"), entre otros. Asimismo, los invitamos a que se mantengan al día en los temas contributivos a través de nuestros seminarios, programa de podcast y Facebook Live "[SumandoAlFuturo](#) con Martes de Números"; así como las actividades de orientación de nuestra campaña contributiva Planilla 2020.

Agradecemos nuevamente a la firma Kevane Grant Thornton por compartir el calendario para beneficio de nuestros colegiados. En el Colegio de CPA, seguimos [SumandoAlFuturo](#) manteniendo nuestro compromiso para orientar en este caso, sobre asuntos contributivos. Contadores

Cordialmente,

CPA Rosa M. Rodríguez Ramos
Presidenta
Colegio de CPA de Puerto Rico

Esta es una herramienta de fácil referencia sobre las fechas más importantes en aspectos contributivos. El Colegio de CPA no es responsable de acciones que se puedan realizar, considerando que pueden surgir cambios durante el año contributivo.

General information

Deposit requirements

(applicable to FICA, federal and Puerto Rico income taxes)

Employers should determine before the beginning of a calendar year whether they will have to deposit employment taxes on a monthly or semiweekly basis for the entire year. The deposit category of an employer for the calendar year, will be determined by the amount of employment taxes reported for a one-year “lookback period” ending the preceding June 30th. For calendar year 2021, the lookback period is the period from July 1, 2019 to June 30, 2020. The key terms under this rule are as follows:

Monthly depositor

An employer that reported employment taxes of \$50,000, or less during the lookback period, generally must make only monthly deposits for the entire calendar year. The monthly deposit is due on or before the 15th day of the following month.

Semiweekly Wednesday/Friday depositor

An employer that reported employment taxes of more than \$50,000, during the lookback period is a semiweekly depositor for the entire year. Such employers must make deposits on or before Wednesday or Friday, depending on the timing of their payrolls. Specifically, employment taxes from payments to employees made on Wednesdays, Thursdays and/or Fridays must be deposited on or before the following Wednesday. Taxes from Saturday, Sunday, Monday and/or Tuesday payments to employees must be deposited by the following Friday. If a quarter ends during a semiweekly period, all taxes accumulated in that quarter are subject to one deposit obligation, and those accumulated in the new quarter are subject to a separate deposit obligation. In other words, separate deposit coupons will be required even though both deposits may be due on the same day.

Nonbanking days (Federal deposits only)

Semiweekly depositors will always have at least three banking days to make a deposit. If any of the three weekdays following the close of a semiweekly period is a bank holiday, the employer will have an additional banking day to make the deposit. For example, if Monday is a bank holiday, deposits from the prior Wednesday through Friday period can be made by the following Thursday, rather than by the regular Wednesday deposit day.

Next day deposit rule

If a monthly or semiweekly depositor accumulates employment taxes of \$100,000, or more during a deposit period (monthly or semiweekly), the taxes must be deposited by the next business day. This rule overrides the normal rules for determining deposit dates discussed above. A monthly depositor who must make a one-day deposit under this rule immediately becomes a semiweekly depositor for the rest of the calendar year and the following calendar year. Employers under the one-day depositor rule must also take into consideration the Electronic Federal Tax Payment System (“EFTPS”) program explained on **Page 30**.

De minimis rule

If an employer’s accumulated taxes for a return period are less than \$2,500, no deposits are required; and the tax can be paid with the return.

Remember that if you do not meet the deposit de minimis rule and fail to make the electronic payment, a penalty of 10% will be assessed

Employers who fail to deposit the full amount of taxes will not be penalized if the shortfall does not exceed the greater of \$100 or 2% of

the amount of employment taxes required to be deposited, provided that the shortfall is deposited on or before the prescribed makeup date.

Required participation in EFTPS

EFTPS is an electronic remittance processing system that the IRS uses to accept as an electronically transmitted federal tax deposit. Among others, EFTPS will accept payments in connection with the following tax forms:

- Form 940, Employer’s Annual Federal Unemployment Tax (FUTA) Return;
- Form 941, Employer’s Quarterly Federal Tax Return;
- Form 945, Annual Return of Withheld Federal Income Tax;
- Form 1120, U.S. Corporation Income Tax Return;
- Form 1042, Annual Withholding Tax Return for U.S. Sources of Income of Foreign Persons.

Deposit requirements (applicable to FICA, federal and Puerto Rico income taxes) (cont'd)

To participate in the EFTPS program, the taxpayer must enroll online through www.eftps.gov. This enrollment process is used to verify names, taxpayer identification number and to determine the electronic payment method chosen; enrollment must be received and accepted by the IRS prior to making electronic deposits. You should receive a PIN number in the mail within seven (7) business days after completing your enrollment process. With this PIN you can log in on www.eftps.gov and create your account. A taxpayer who participates in EFTPS has two electronic payment options:

- (1) **EFTPS Direct:** the IRS debits directly the taxpayer account once notified of the payment amounts.
- (2) **EFTPS through a financial institution:** the taxpayer requests the financial institution to initiate the transfer of funds to the Treasury's General Account and submit the related tax data, which is supplied by the taxpayer to a financial agent for transmission to the IRS (the taxpayer must verify that the bank provides this service and what fees may be charged).

Deposit of taxes by Electronic Funds Transfer

Large employers must use the EFTPS to make deposits of taxes required. EFTPS allows for the transfer of tax deposit amounts electronically from taxpayer accounts to the Treasury's General Account. The following taxes are required to be deposited under the EFTPS deposit requirement: withheld U.S. income tax, FICA taxes, U.S. corporate income and estimated taxes, FUTA payments, U.S. taxes withheld on nonresident aliens and foreign corporations, and U.S. estimated taxes on certain trusts. For deposits made by EFTPS to be on time, you must submit the deposit before 8 pm, Eastern time the day before the due date of the deposit.

Once you meet the requirement to use EFTPS, you are required to continue using the system even if your deposits in future years drop below the threshold amount.

An employer that is required to deposit taxes electronically, but fails to do so is subject to penalties ranging from 2% to 15% based on the amount of the deposit.

Taxpayers requiring further assistance on this system can contact the IRS at (800) 555-4477 or (800) 244-4829 (Spanish language). You can also visit www.eftps.gov.

Important note

Please remember that the due date for the deposits of the Puerto Rico income tax withholding are similar to those applicable to the deposits for Social Security.

Puerto Rico income tax rates on individuals, estates and trusts

Filing requirements

Individual taxpayers (residents and non-residents) are required to file a return when they have gross income unless the tax was fully paid by withholding at source. In addition, individuals whose net taxable income subject to alternate basic tax is \$25,000 or more are also required to file a return.

Personal exemptions	2020 and 2021
Married	\$7,000
Individual taxpayer - married with complete separation of property prenuptial/postnuptial agreement - married not living with spouse	\$3,500
Married filing separately	\$3,500
Exemption for each dependent*	\$2,500
Additional personal exemption for veterans	\$1,500

* Joint custody or married separately \$1,250

Regular tax

For taxable years beginning after December 31, 2018, the tax determined will be 95% of the total regular tax and gradual adjustment. Married taxpayers living with spouse and filing a joint return, married taxpayers filing separate, individual taxpayers, estates or trusts. Also, for taxable years beginning after December 31, 2019, and for individuals with a gross revenue less than \$100,001, the tax determined will be 92% of the regular and gradual adjustment, instead of 95%.

Tax rate	2020 and 2021	
	Tax on Base	% in Excess Over Base

The tax is increased by five percent (5%) of the excess of \$500,000 limited to \$8,895, plus 33% of the amount of the personal exemption, the additional personal exemption for veterans and the exemption for dependents.

Puerto Rico income tax rates on individuals, estates and trusts (cont'd)

Alternate basic tax (ABT) for individuals

An alternate basic tax in lieu of any other tax will be paid for each taxable year upon the ABT net income of every individual as follows:

Limitations are imposed on deductions for regular income as well as ABT on Individuals Net Income, unless the individual submits Agreed Upon Procedures Report with the return. Individuals whose volume of business is less than \$1,000,000 can opt for submitting a due diligence checklist, instead of an Agreed Upon Procedures, sworn by an Accredited Agent-Return Specialist.

For taxable year 2020 and forward, the following expense must be reported on informative returns to be deductible for regular tax as well ABT purposes: advertising, professional associations fee, homeowner's associations, continuing education, insurance premium, telecommunication services, rent expense (including real and personal) and professional services even if less than \$500.

- charitable contributions (generally limited to organizations that operate in Puerto Rico, or that provide service to Puerto Rico residents and are authorized by the Secretary, up to 50% of AGI)
- casualty losses of personal property
- contributions to IRA (including taxpayer and spouse)
- educational IRA
- interest paid on student loans of the taxpayer, spouse or dependents at university level

Are Social Security benefits taxable income?

Social Security benefits received by a bonafide resident of Puerto Rico are not considered taxable income in Puerto Rico. Nevertheless, depending on each case's facts and circumstances, a portion of those benefits may be subject to US federal income taxation.

To determine whether any part of your benefits are taxable for US income tax purposes, compare the base amount applicable to your filing status (\$32,000 for married couples filing jointly and \$25,000 for single taxpayers) with the total of your Social Security benefits plus all your income from other sources including tax exempt interest income and income excluded from Puerto Rico sources not subject to US taxation.

If you are married and file a joint return, you must combine your income and Social Security benefits when figuring the taxable portion, if any, of your benefits.

Alternative minimum tax (AMT)

The AMT is the greater of \$500 or 18.5% of alternative minimum net income.

For taxpayers with volume of business of \$3M or more, the rate is 23%.

Limitations are imposed on deductions for regular tax as well as AMT net income unless entities submit audited financial statements or Agreed Upon Procedures Report.

For taxable year 2020 and forward, the following expense will be reported on informative returns to be deductible for regular tax as well AMT purposes: advertising, professional associations fee, homeowner's associations, continuing education, insurance premium, telecommunication services, rent expense (including real and personal) and professional services, even if less than \$500.

Notes:

- normal tax is assessed on the "normal tax" net income, which is the total net income of the taxpayer minus the special dividends or partnership profit distributions received deduction
- surtax net income is the normal tax net income, less the amount of the surtax deduction allocable to it
- a corporation or partnership is allowed a surtax deduction of \$25,000, but if member of a controlled or affiliated group, the surtax deduction is allocable among the group.

Optional tax available for corporations rendering services

At least 80% of the gross income comes from services. The tax determined must have been covered either through withholdings at source or estimated tax payments.

Audited financial statements and supplementary information requirements in Puerto Rico

For taxable years beginning before January 1, 2020, domestic and foreign partnerships or corporations, including those with elections to be treated as special partnership and N Corporations, are required to attach audited financial statements to statutory returns (income, property, annual report and volume of business or “patente”) if the volume of business is \$3,000,000 or more. In the case of LLCs, the annual fee filed with the State Department does not require an audited balance sheet as required from regular corporations.

For taxable years beginning after December 31, 2019, the audited financial statements are required to attach to income tax return if the volume of business is \$10,000,000 or more and \$3,000,000 or more for volume of business declaration or “patente”, annual report and property return.

If an entity has a volume over \$1M, it may opt to submit audited financial statements to request a Withholding Waiver Certificate. These entities have the option to submit an Agreed Upon Procedures (AUP) or Attestation Report, not only for the waiver, but also to be able to claim all deductions for AMT and for ABT.

If its volume of business did not exceed \$3,000,000 (or \$1,000,000, if member of a controlled group or group of related entities) then the entity is not required to file audited financial statements with the year’s income tax return. These entities may opt to submit an AUP or Attestation Report in order to be able to claim all deductions for purposes of AMT or ABT.

Also, if the volume of business did not exceed \$10,000,000, the entity may opt to submit an AUP or Compliance Attestation with their Volume of Business Declaration and Personal Property Tax Return.

If an entity meets the requirement to file consolidated financial statements (members of a group or group of related entities), and its volume of business exceeds \$1,000,000, it may file audited financial statements for this entity alone, provided that the notes to said financial statements include a list of all related entities engaged in trade or business in Puerto Rico.

For years beginning after December 31, 2018, the Puerto Rico Internal Revenue Code, as amended, introduced a new definition of the term “Entity” to include corporations, partnerships or LLCs domestic or foreign, regardless of the tax treatment used when preparing the tax return. Pass-through entities must be included in the analysis of aggregated volume of business to determine the need for audited financial statements.

The Puerto Rico Incentives Code

Flowchart application process

According to Section 6020.01 of Act No. 60 of July 1, 2019, as amended, known as the Puerto Rico Incentives Code (“Incentives Code”), there are three alternative processes for the submission of a tax grant application:

- ordinary – applications are evaluated internally and not subject to special conditions
- extraordinary – conducted if the application requires the inclusion of special clauses that will entail negotiation between the applicant and the Office of Incentives of the Puerto Rico Department of Economic Development and Commerce (DDEC). The extraordinary process also requires an interagency procedure whereby the applicable agency or Municipality will have 20 business days to provide comments to the application. After the expiration of the 20-day period, the Office of Incentives will have a period of 10 business days to issue a recommendation to the Secretary of the DDEC.
- expedited – applications that would otherwise be submitted through the ordinary process, but wanted to be expedited. Must include a pre-eligibility report prepared by a Certified Professional. A Certified Professional is an attorney admitted to the practice of law by the Supreme Court of PR, or a CPA duly licensed to practice said profession in Puerto Rico. Additionally, the attorney or CPA must be registered in the Registry of Certified Professionals maintained by the DDEC.

The flowchart presented on page 38 illustrates the sequential process undergone by a tax grant application requested under the provisions of the Incentives Code. The flowchart intends to walk you through the application process initiated by submitting said tax grant application through the Single Business Portal (SBP) and concluding with its approval or denial.

The bonus is 6% of the employee's wages up to a maximum individual employee wage of \$10,000. Accordingly, the maximum payable bonus will be \$600. This bonus must be paid from November 15 through December 15.

In the case of those employers with 15 or less employees the applicable rate is 3% of the employee's wages up to a maximum individual employee wage of \$10,000. Accordingly, the maximum payable bonus will be \$300.

Employees contracted on or after January 26, 2017

Every employee that worked at least 1,350 hours in twelve-month period from October 1 until September 30 are entitled to receive the mandatory Christmas Bonus. In case, that the employer employs 21 or more employees for 26 weeks within the coverage period, will be required to pay to each employee a bonus equal to 2% of the total salary earned up to a maximum bonus of \$600. In case of those employers with 20 or less employees the applicable rate is 2% up to a maximum bonus of \$300.

During the first year of employment, the applicable bonus for any employee will be the 50% of the above provisions.

If the Christmas bonus does not exceed \$600, the employer will not withhold taxes from the bonus paid. When the Christmas bonus exceeds \$600, but does not exceed \$1,500, the employer must withhold a 7% tax from the total bonus. If the bonus exceeds \$1,500, the employer may use the applicable withholding rules established on the "Employer's Guide."

Nevertheless, the total amount to be paid will not exceed 15% of the annual profits of the employer generated during the same twelve-month period used to determine the eligible employees.

The following employment is excluded from the Christmas Bonus Act provisions: farm activities, household duties, domestic service in private residences, charitable nonprofit institutions and the government. If an employer will not pay the bonus because of operating losses, then he must notify the Secretary of Labor and Human Resources not later than November 30, accompanying financial statements for the period from October 1 thru September 30, attested by a CPA.

If the employer fails to submit the data to support nonpayment of the bonus, he becomes liable for the payment of the full bonus.

If the employer does not pay the bonus when due, the employee will be entitled to receive an additional bonus. It can be 50% or 100% of the amount of the bonus, depending on the date paid.

Employers are required to advise terminated employees who are entitled to the bonus before payment due date and may request his/her mailing address to mail the bonus.

Employers must increase their quarterly estimated tax payments to satisfy employment tax obligations with respect to household employees.

Tax returns and forms for the Sales and Use Tax⁽¹⁾ (cont'd)

Electronic

Act 46-2017 established the semimonthly deposit of the sales tax (not for the use tax) that prior to its enactment was due on or before the 20th of the month following the month of the transaction subject to the tax. The new requirement calls for the deposit of the sales tax twice a month during the month of the transaction:

- first installment due by the 15th day of each month, and
- second installment due by the last day of the month.

The use tax will continue to be due on or before the 20th of the month following the month of the transaction. According to Administrative Determination 17-07 (DA 17-07), these deposit rules only apply for now to the state portion of the tax. Therefore, the 1% municipal tax continues to be due on or before the 20th of the following month.

Merchant's with the obligation to remit semimonthly Sales and Use Tax Deposits:

1. large taxpayers or
2. those merchants with monthly sales tax deposits for the prior year in excess of \$2,000. DA 17-07 provides a simple method:
 - a. for those that sell items subject to the 10.5%, this means annual sales of more than \$228,600
 - b. merchants who sell items subject to the 4% will be subject to the new rules if their sales for the prior year exceeded \$600,000.

This determination must be done on an annual basis. Deposited sales and use tax is the sum of the tax paid upon importations and purchases for resale and the sales tax collected on sales by the merchant.

Large taxpayers are defined as a taxpayer that is one of the following:

1. a commercial bank or Trust Company
2. a private bank
3. a brokerage firm
4. an insurance company
5. a telecommunications business or
6. an entity with a volume of business of at least \$50,000,000 during the previous year.

Special rules for merchants under payment agreements and voluntary collection agreements apply.

The semi-monthly deposits must be made through SURI. You will find the "Realizar un depósito para el período" or Make a deposit for the period under the "Alerta de Cuentas" or Accounts alert menu on your Sales and Use account.

Reduced rate on prepared foods

Act 257-2018 established a reduced SUT rate of 7% commencing on October 1, 2019, applicable to restaurants selling taxable items that are considered "prepared foods", "carbonated beverages", "confectionary products" and "candies". This reduced SUT rate does not apply to alcoholic beverages".

According to AD 19-03, merchants who meet all the following requirements will be eligible to obtain authorization to collect and remit the reduced SUT rate of 7%:

1. the Merchant Registration Certificate must show at least one of the following NAICS Code: 72231, 72232, 72233, 72241 or 72251;
2. must be in compliance with the filing of all SUT returns;
3. must not have any tax debts; and
4. must maintain a fiscal terminal in each point of sales even if the annual volume of business does not exceed \$125,000.

Taxpayers on the Construction Industry

Act 40 of April 16, 2020 amended Section 4041.01 of the Puerto Rico Internal Revenue Code to establish that effective for taxable events taking place after June 30, 2020, merchants engaged in the construction industry may use the cash basis method of accounting for Sales and Use Tax purposes on commercial, industrial or residential building projects.

The Puerto Rico Treasury determined that any merchant whose Merchant Registration Certificate includes one or more of the North American Industry Classification System ("NAICS") codes indicated in Administrative Determination 20-19, will be considered a merchant dedicated to the construction industry in construction projects and will be allowed to choose the cash basis method of accounting when remitting the SUT as of July 1, 2020.

As an additional requirement, at least eighty (80) percent of the gross income derived during the three (3) taxable years prior to the date of election of change in method, constitutes income related to an eligible NAICS code. The change must be made through the Unified System of Internal Revenue ("SURI by its Spanish acronym) after June 30, 2020 but before the monthly SUT filing corresponding to the month for which the change will be effective. A ruling from the PRTD will not be required to complete the change.

Withholding tax at source on payments for services rendered

General rule:

The Government of Puerto Rico and every person that in the conduct of a trade or business or for the production of income in Puerto Rico, makes payments to another person for services rendered in Puerto Rico, must deduct and withhold 10%. Services excluded by definition

Even though these service providers are excluded from the withholding, the Department reiterates that the person providing the services must submit to the withholding agent an affidavit to such effect.

The affidavit will also apply to the following payments:

- payments excluded from the term “services” under the provisions of Section 1062.03 (a) of the Code: insurance premiums; leasing or sale of tangible or real property; printing; the sale of newspapers, magazines and other publications (including advertisements); and the hiring of radio and television time.

Forms 480.5, 480.6SP, 480.6SP.2 - File annually on February 28 of the following year.

Waivers:

Corporations and pass through entities may obtain a reduced withholding tax of 6% if is in good standing with the Puerto Rico Treasury Department (waiver). A “Partial Relief of Withholding Certificate” must be obtained and remitted to each payer to benefit from the reduced tax withholding. Also, the Secretary of the Treasury may issue a total waiver to corporations and regular partnerships that are in the first year of operations (in Puerto Rico or elsewhere), reflect net operating losses on their income tax return or are required to provide audited financial statements with their returns; or if the volume of business is \$1 million or more and the entity chooses to submit financial statements accompanied by an auditor’s report.

Individuals are not eligible for the partial relief-withholding certificate. Therefore, all payments for services made to individuals are subject to a 10% withholding unless the Optional Tax Method is elected.
