FILING REMINDERS

The Department is not responsible for the method or program used to file the Informative Returns forms (programs of any service provider).

I. Confirmation Number

The Department will not accept Informative Returns forms printed without the confirmation number (handwritten or typed confirmation numbers on the forms will automatically invalid the forms). The file must be uploaded, submitted, and processed to obtain the confirmation number from SURI.

Example of Electronic Filing Confirmation Number Box on Form 480.6A:

II. Control Numbers

The Department does not assign control numbers via text file. The control number will be assigned by the payer on submission. This number must consist of nine digits and cannot be repeated for the same payer, same form type, and same tax year. **Starting** tax year 2019 the sequence from 900000000 to 999999999 will be reserved only for

the use of the Department for all other submissions, <u>excluding text file</u> submissions.

III. Substitute Forms

Authorization is required to reproduce substitute forms of the Informative Returns. Authorization must be requested from the Forms and Publications Division no later than **January 3, 2023**. You may contact the Forms and Publications Division sending an email to Forms@hacienda.pr.gov.

All informative returns must be submitted by the applicable deadline. An extension to file cannot be requested since the Puerto Rico Internal Revenue Code of 2011, as amended, does not provide for such extension.

V. Representative

Representatives filing on behalf of a payer need to be registered in SURI and be authorized by the payer to access the taxpayer's account. For more information, please refer to Internal Revenue Circular Letter No. 18-16 available at www.hacienda.pr.gov. Once authorized, the representative will be able to submit files via the payer's SURI account.

VI. Filing for Previous Years

Filings for tax years 2014 to 2021 must be made in SURI using the appropriate filing requirements for the specific tax year of the submission. Publications for each tax year are available on Hacienda's website (www.hacienda.pr.gov) in the "Patronos y Agentes Retenedores" section. Control numbers for previous year submissions must be assigned by the payer. Control numbers should consist of nine (9) digits and cannot be repeated for the same payer, form type, and tax year.

VII. Amendments of Previously Filed Forms

The Department requires that every Amended form includes a <u>Reason for the Change</u> and the <u>Control Number</u> of the form being amended (Original Control Number). In addition, all amended forms must have their own unique control number.

An original file cannot contain amended forms.

Amended files must be submitted separately and can only be submitted after the original submission has processed.
